Privilege of the floor was offered several topics were discussed. The condition of the property at 5 Blanchard Street was discussed again. The Code Enforcement Officer stated that a letter will be sent with a date to show progress with the properties clean up or it will result in a court appearance if no action is taken. It was also mentioned that it appears that work is being done(staircase torn out) to the building and that no permit has been issued, Code Enforcement Officer stated he would check into it.

It was also discussed that a group of local residents has met and is looking into some positive steps toward hopefully getting some businesses back into the vacant storefronts uptown. The plan has been successful in Meadville Pa. (Community Heart And Soul Program) information can be found at orton.org. Those meeting decided a more positive approach may work better than a petition signed and delivered to the business owner.

The need for a Comprehensive Plan for the Village was also discussed and that the Town of Chautauqua at this time has no interest in finishing the one that was being worked on four years ago.

Location of the monthly Village Board meetings was also discussed.

Trustee Syper made a motion that the Village of Mayville Board of Trustees Meetings be moved to the Carlson Community Center starting in October and each month after,
